## UM SENIOR WINS SCHOLARSHIP

MISSOULA --

University of Montana President Richard C. Bowers has announced that Linda Bandelier, daughter of Dr. and Mrs. Kenneth J. Bandelier, Dillon, has received a Sumner Gerard Scholarship.

Bandelier, a senior at UM and graduate of Beaverhead High School, was awarded the \$1,000 scholarship for the 1979-80 academic year. Each year the award is given to an outstanding student with a ranch background from Madison, Beaverhead or Yellowstone Counties.

Linda, a microbiology major at UM, is a member of the UM Scottish Country Dancers, the Mortar Board scholastic honorary, and the student staff of Christian Campus Ministries. She also pursues songwriting and is an occasional performer at informal concerts.

The award was made possible by a grant from the Sumner Gerard Foundation. The scholarship was established in the UM Foundation in 1969 by Sumner Gerard Jr., a former state senator from Madison County and former ambassador to Jamaica. He created the scholarship to memorialize his father.

The UM Foundation is a non-profit corporation that raises private funds for scholarships, research and many other programs at the University. Currently the Foundation holds over \$2 million in endowment for UM student scholarships.
